

Advancing practice in annotation of imagery from an interdisciplinary perspective
Monday, June 24, 8:45-14:30
Marine Imaging Workshop, Victoria, BC

Workshop Agenda

- | | |
|---------------|--|
| 8:45 – 9:00 | Welcome and Introductions. |
| 9:00 – 9:30 | Brief review of the state of the art in annotation of imagery from three perspectives: <ul style="list-style-type: none">• Computer science (Maia Hoeberechts)• Biology (Mauricio Carrasquilla)• Interdisciplinary collaborations (Maia, Mauricio, and workshop participants) |
| 9:30 – 9:40 | Summary of results of MIW2017 annotation workshop (Timm Schoening & Maia Hoeberechts) |
| 9:40 – 10:00 | Goals for advancing practice: Review of potential research questions and group discussion to refine questions (Maia Hoeberechts) |
| 10:00 – 10:15 | Introduction to example datasets and framework for small group annotation activity and discussion (Mauricio Carrasquilla) |
| 10:15 – 10:30 | Coffee Break |
| 10:30 – 12:00 | Interdisciplinary small group annotation activity and discussion (All) |
| 12:00 – 13:00 | Lunch |
| 13:00 – 14:30 | Workshop discussion (All) <ul style="list-style-type: none">• Presentations of small group outcomes.• Based on selected research question, small group discussions, and personal experience, discuss recommendations for standards and future directions on annotation from an interdisciplinary perspective.• Identify interests in future work and potential publication.• Note: Next steps and summary will be presented to the whole MIW group on Thursday. |
| 14:30 – 17:00 | Trip to Marine Technology Centre |
